

Subject: An invitation to champion Data Day 2027

Dear [Name],

MORPC and the Regional Data Roundtable are planning the fifth annual Data Day — Tuesday, February 16, 2027 — and you were one of the first people we thought of.

This year we're inviting a small group to serve as Data Day Champions: people who lend their expertise and connections at a few key moments in the planning process, rather than through standing meetings. Given your [past session on X / leadership in Y / work on Z], we'd be grateful for your help with [specific ask — e.g., suggesting a keynote speaker or promoting the Call for Session Proposals in your network]. The commitment is small and entirely up to you — a handful of time-bound asks between now and February, and you take on the ones that fit. For more on each specific ask, see the attached Ways to Help.

Could I set up a brief call in the coming weeks to walk you through it? Or if you already know you're in, just reply. For more about the Data Day Champions program, see the attached FAQ or email jinskeep@morpc.org.

We'd be honored to have your help in this milestone year.

Sincerely,

[Your Name]
